NEW PIASA CHAUTAUQUA

"NATURE'S IDEAL PLAY GROUNDS"

THE 1914 season at Chautauqua will begin Saturday, June 27th, which date will mark the beginning of the thirty-first annual assembly. A most cordial invitation is extended to the numberless hosts of former friends who for so many years have found health, strength, entertainment and education in this most beautiful spot.

Piasa Chautauqua is the only successful Summer Resort near St. Louis. Ideally located in a beautiful valley between magnificent, towering bluffs, with the mighty Mississippi at its front and an almost unexplored forest at its back—one of nature's most picturesque spots, dear to many who have enjoyed its beauties.

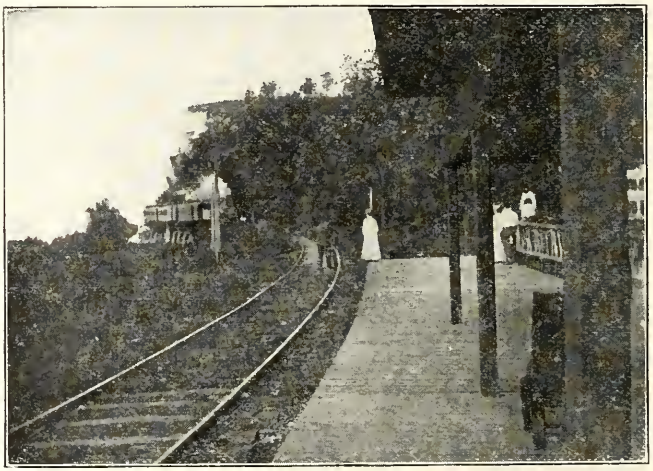
ENTRANCE TO BEAUTIFUL CHAUTAUQUA GROUNDS

Beautiful Chautauqua—located only 38 miles from St. Louis, on the C. P. and St. L. R. R. and the Mississippi River—has, during the past years, become popular by reason of its beauty, easy access, and because the expense is less than at most summer resorts; living expenses are within the means of all who take a summer vacation.

The man who can only take a day or two from business or possibly be away over Sunday only, does not wish to devote much time and money to getting to and from his resting place, and he with the longer vacation may not care to spend all his entertainment fund in transportation. He can avoid this by coming to Piasa Chautauqua.

The business man can live at Chautauqua and be at his business during the day without loss of time or increase in living expenses.

The service by trains and boats will be as convenient as in former seasons. The trip by railroad from St. Louis is made in about two hours—by boat about four hours. **The C. P. and St. L. R. R.** will make a special round trip rate of $1.35 from St. Louis, return good any time within sixty days from date



THE ARRIVAL—TRAIN ROUNDING THE BLUFF

of purchase. From Granite City the rate will be $1.15. From Alton, Ill., the rate will be 60 cents round trip. Ten ride, thirty ride and fifty-four ride tickets will be sold at special rates.

Boat rates are 25 cents and fifty cents the round trip from St. Louis, depending upon the boat. Boat passengers are allowed a short stay at Chautauqua, and many passengers utilize the time in the pool or in viewing the beauties of the Chautauqua grounds for which a nominal charge of only 10 cents is made. The Alton, Granite & St. Louis Traction Co. runs hourly trains from St. Louis and East St. Louis to Alton, Ill., at which point connection is made with the C. P. & St. L. R. R. for Chautauqua.

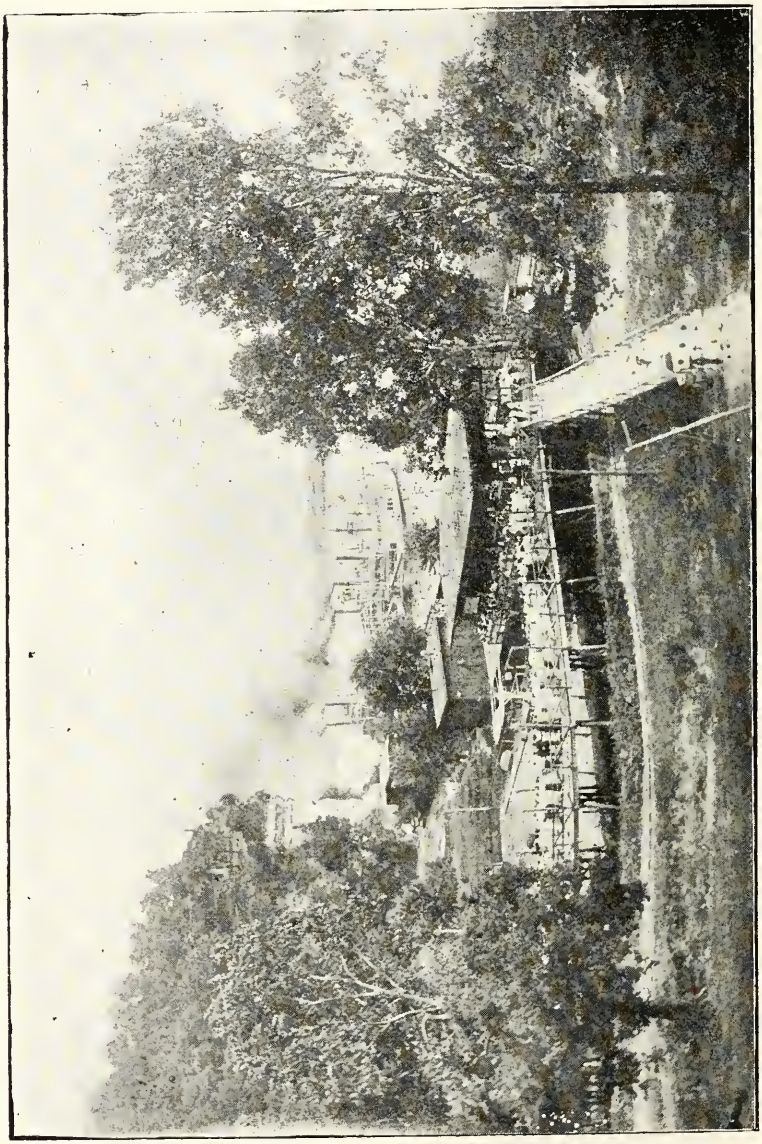
Chautauqua makes no pretense to exclusiveness, even though it is patronized chiefly by persons of culture and refinement who live close to nature for a while each summer and are enabled to enjoy a season of rest and quiet and thus find themselves better fitted on their return, for the daily round of home and social duties.

There are now 125 substantial residences in Chautauqua, many quite elaborate and more are being erected each season. A number of choice building sites are offered by the Association at very low figures. Those who contemplate building are referred to the Association office on the grounds for information.

CHAUTAUQUA'S PRINCIPAL ATTRACTIONS ARE FRESH AIR, PURE SPRING WATER, COOL NIGHTS, BEAUTIFUL SCENERY, AMPLE HOTEL AND BOARDING HOUSE ACCOMMODATIONS, AND A PROGRAM THE EQUAL OF ANY CHAUTAUQUA—ALL AT A VERY NOMINAL EXPENSE.

The nights are delightfully cool. Many persons who cannot stand the sweltering heat and sleepless nights in the city turn to Chautauqua for rest, recreation and upbuilding.

THE BUSY BUSINESS MAN LEAVING ON THE MORNING SPECIAL FOR THE CITY



MISSISSIPPI RIVER BOATS LANDING PASSENGERS AT CHAUTAUQUA 1914

The charm of Chautauqua is its beautiful scenery. Here one finds at every turn beauty to satisfy the eye and mind. Restful, peaceful—away from the city's busy throngs—a veritable "Peaceful Valley," where business and other worries do not enter. One cannot help but be benefited physically and mentally. If weary in body and mind come to Chautauqua—the haven of rest for the tired soul.

Season after season many wise fathers send their families to Chautauqua for an outing, while many who cannot stay for an extended period, spend the "week ends" with their families.

THE CHILDREN

The children live and play outdoors all day long and become healthy and strong; they may safely be left unattended as no possible harm can come to them; they wade in the pool, play in the sand, and become healthy and strong. Mothers, you owe it to your children to bring them to Chautauqua where they will develop health and strength.

LIVING EXPENSES

Living expenses at Chautauqua are made as small as possible, thus placing an outing on the grounds within the reach of all. Besides the hotel there are many private boarding houses and cottages where guests can obtain rooms and board, or rooms and accommodations for light housekeeping.

GROCERIES, MEATS, ETC.

The store is open throughout the season, and all kinds of groceries, fresh and dried meats, fresh fruits and vegetables and bread and cakes can be had at prices as low as those of a city.

The neighboring gardeners have an abundant supply of fresh vegetables throughout the entire season. Fresh butter, milk and eggs are supplied by the farmers of the neighborhood at very reasonable prices.

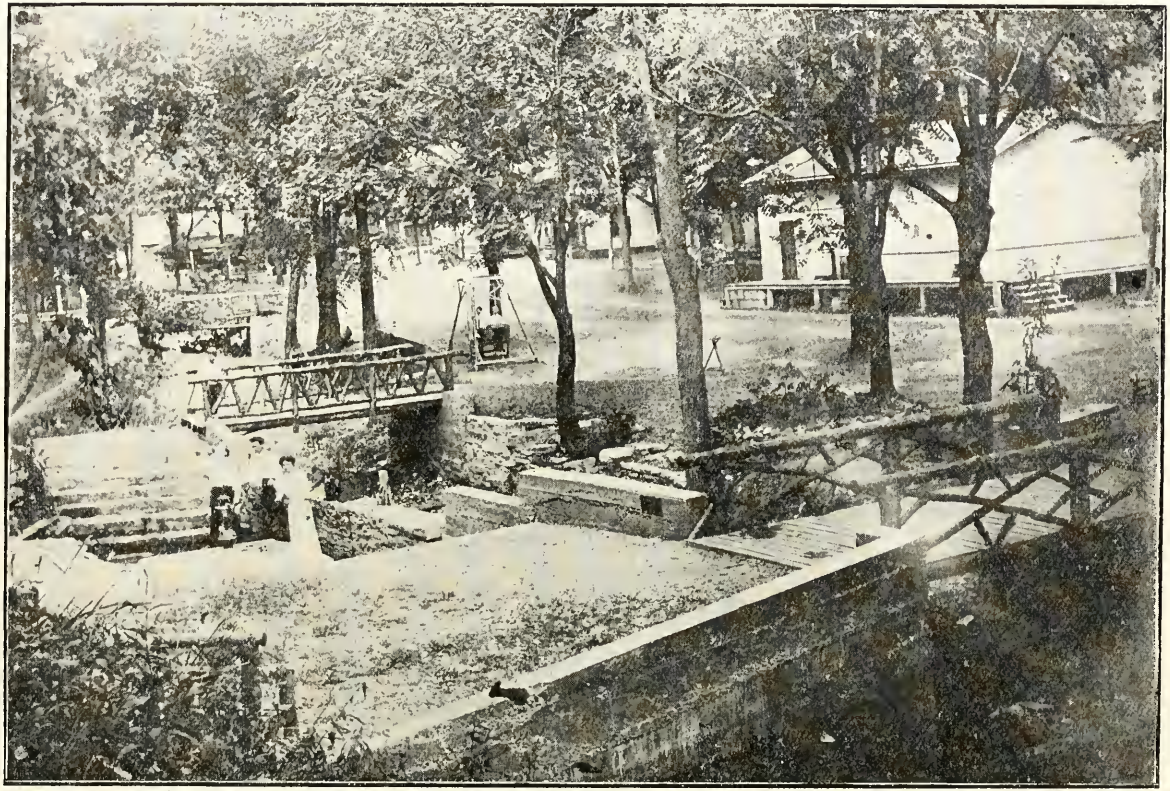
Daily deliveries of ice will be made from ice house located on the grounds.

Two refreshment pavilions are open—one at the main entrance, and the other near the auditorium, where lunches, ice cream, fruit and confectionery are sold.

In every way Chautauqua is an ideal place, and accommodations are obtainable at prices to suit all purses.

A number of cottages are for rent by the week, month, or season. Write to the manager for particulars. Make your reservations early.

Telephone and telegraph communication can be had with all parts of the country. Mails are received and sent out three times a day, except Sunday. Have your mail addressed to Chautauqua, Ill.



THE FAMOUS PIASA SPRING 1904

The Hotel, Cottages and Swimming Pool are all supplied with the great health-giving Piasa Spring Water, an analysis of which shows it to be almost identical with the famous Eureka Springs water.

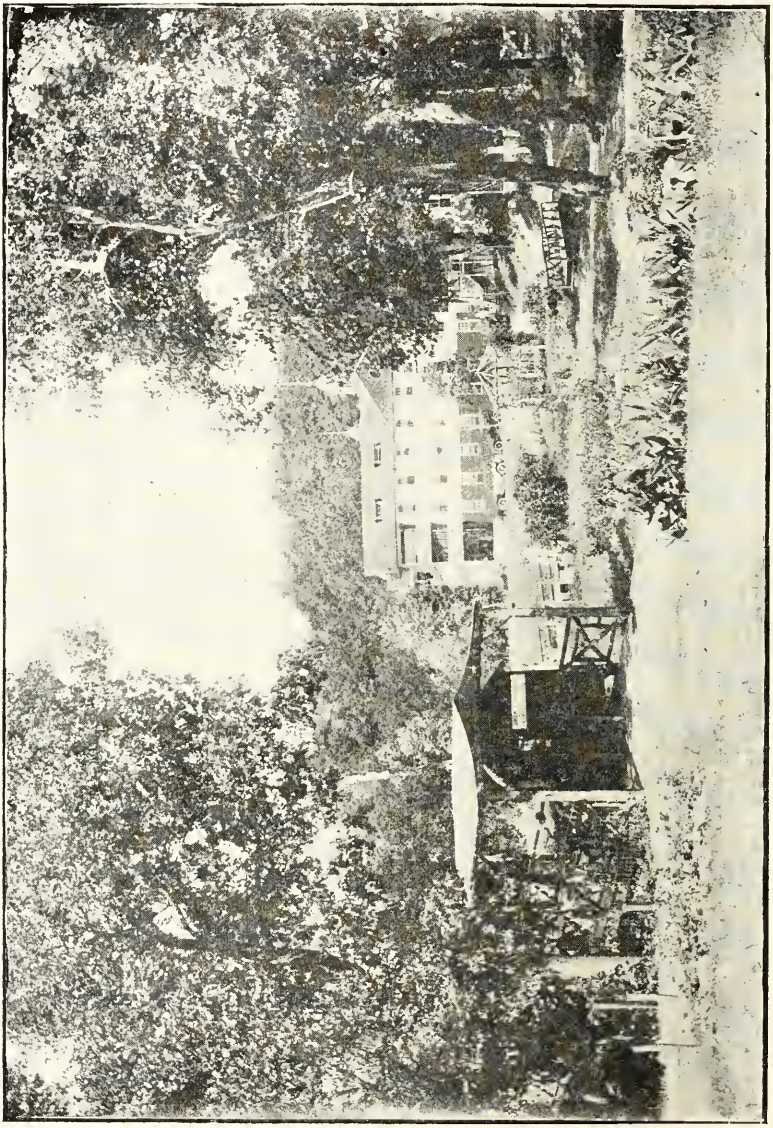
THE GROUNDS OF PIASA CHAUTAUQUA

The Assembly grounds cover three hundred and ten acres, all well shaded, with trim gravel driveways and walks leading to the hundred and more beautiful cottages, which are the summer homes of people from points far and near. The grounds are well lighted and are supplied with running water from the great Piasa Spring.

Leading from the railroad station at Chautauqua are two beautiful rustic bridges. The one to the left takes you to the "Inn," the other to the Assembly grounds of the Piasa Chautauqua.

"THE INN"

The "Inn," a hotel containing ninety rooms, beautifully located, fronting the river, near the entrance and just outside the grounds, will this season be under the management of Mr. C. E. Gillen, of East St. Louis, an experienced hotel man, with Mr. Wm. Neal, formerly with the Washington Hotel, St. Louis, in charge. Prior to June 1st, address C. E. Gillen, Illmo Hotel, East St. Louis, Ill.; after June 1st address, The "Inn," Chautauqua, Ill.



SECTIONAL VIEW OF THE GROUNDS AND "THE INN," 1914

THE PROGRAM

The large auditorium is located near the center of the grounds where entertainments are given nightly. The program is made up of a most enjoyable series of entertainments, some new and attractive feature being provided each day. The program consists of lectures, sermons, concerts, magic, motion pictures, etc. For the season's program in detail see pages 18 to 43.

ART NEEDLE WORK

A department of Art Needle work will be located at Piasa Springs Hotel, with a complete line of the latest and most artistic styles of pillows, needlework, embroidery, etc. Instruction in the art of needlework free to purchasers.

MOTION PICTURES

The motion pictures will be in charge of Mr. W. M. Sauvage, of Alton, Ill., which in itself is a guarantee of variety as well as excellence. Mr. Sauvage's experience dates from the beginning—when pictures in motion were first flashed on the screen.

BABY HEALTH CONTEST

You may enter your baby at once. No entries accepted after July 27th. See program under date Saturday, August 1st.

CHAUTAUQUA SCENERY

Take your camera and climb the bluffs. For miles on either side you behold most magnificent scenery. Below flows the mighty Mississippi, and the Illinois River in the distance. But little more than a mile away is the quaint century-old village Elsah, to be reached by easy walk over the bluffs or along the river's banks. Off in the opposite direction (distant about two miles) lies the town of Grafton. There are many delightful walks through the woods to the rear of Chautauqua, also in either direction over the bluffs. View the setting sun from the bluffs—a most gorgeous sight.

BOYS' AND GIRLS' CLUBS—KINDERGARTEN

BOYS' CLUBS

Mr. Ira Oertli, teacher and coach of Alton High School, has been engaged to conduct the boys' classes. Mr. Oertli is doing good work in athletics, and comes to us highly recommended. Although this is his first season at Chautauqua we predict for him great success because of his knowledge of boys, and his experience in the various kinds of activities and outdoor life interesting to boys. Athletics under Mr. Oertli will take on increased impetus. No boy on the Chautauqua grounds can afford to miss his instructions.

GIRLS' CLUBS

Miss Flora B. Dawson, who has so ably conducted the girls' classes at Chautauqua in previous seasons, will again be in charge. Miss Dawson's range of experience is wide and varied, and her ability to drill and instruct girls in the very latest and newest in physical culture is well known. Miss Dawson's engagement for the coming season will be pleasing news to mothers and daughters.

KINDERGARTEN

Miss Eleanor Caughlan, of East St. Louis, Ill., expert in kindergarten work, will arrange and conduct children's classes throughout the entire season. A nominal charge will be made for the service. This is an opportunity which parents with young children will welcome. While being taken care of and amused the children will at the same time be taught many pleasing accomplishments. Miss Caughlan is engaged in kindergarten work in East St. Louis and is highly successful in her chosen profession.

PIASA SPRINGS HCTEL

The Springs Hotel of forty-five rooms is under the management of the Ladies Civic Improvement Association. The hotel has been refurnished. Guests will be given best of attention. Rooms only. Charges reasonable.

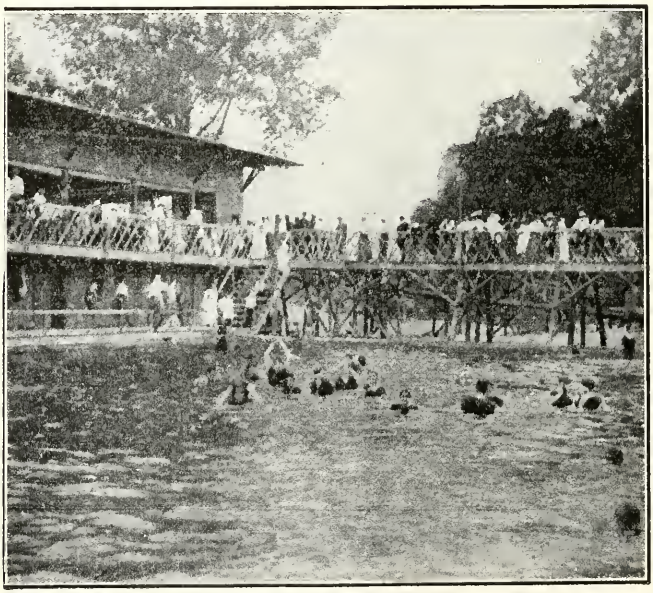
ENTRANCE TO THE GROUNDS BETWEEN ROWS OF BEAUTIFUL FLOWERS

LADIES CIVIC IMPROVEMENT ASSOCIATION

This is an organization of Chautauqua ladies which devotes much time, energy and work for the upbuilding and beautifying of our Chautauqua. Their work is shown in the many improvements on the grounds, notably the new post office, the Pagoda, the concrete approach to the spring, etc. The officers for the year are: Mrs. G. V. R. Mechin, President; Mrs. J. C. Kupferle, First Vice-Pres't; Mrs. C. Bernet, Second Vice-Pres't; Mrs. J. P. Dubail, Secretary; Mrs. A. T. Flint, Treasurer; with an able Board of Directors, which manages the affairs of the Association. Some of our finest entertainments are given under the auspices of the L. C. I. A.

AMUSEMENTS AND RECREATIONS

Athletics of all kinds will be a special feature during the season of 1914—ball games, tennis matches, running races, jumping, swimming, etc. Visitors are welcome to enter these contests.



THE SWIMMING POOL

SWIMMING POOL

Size, 75 feet wide by 175 feet long. Enjoyed by old and young daily except Sunday. The depth is graduated from two feet to eight feet. There are springing boards, swing and slide. Watching the bathers is one of the favorite pastimes of those who do not desire to take a plunge in the pool.

Depth at different points is plainly indicated by large figures, and the increase is so gradual that there is no danger for those who cannot swim, while the swimmer has room to enjoy as long a dash as is usually desired.

An expert is in constant attendance to assist those who may wish to learn to swim.

Private dressing rooms and bathing suits can be had at reasonable prices.

TENNIS

The tennis courts, of which there are three, are free to cottagers and visitors. Bring your racquets with you. Special attention has been given to the tennis courts this season and each will be found in fine condition.

CROQUET

There are two public croquet grounds with the necessary equipment. The use of these grounds is free to all. Croquet sets furnished free.

BASEBALL

The baseball grounds are in fine shape. The athletic director will make all engagements and assist in organizing teams and arranging games. A game is scheduled for every Saturday afternoon.

BOATING

Several launches are at the service of Chautauqua visitors, together with an ample equipment of row boats. There will be regular launch trips daily to Elsah and Grafton, also to any special neighborhood points that may be requested.

AUTOMOBILES

Motoring to Chautauqua has become quite a fad. Parties who have made the trip for several seasons report the roads in better shape than the average country roads. Special attention has been given the road which enters Chautauqua.

JULY 4th—INDEPENDENCE DAY

July 4th is one of the big days at Chautauqua. If you wish to avoid the noise and dangers incident to the cities on the Fourth of July **come to Chautauqua.** Make your arrangements to stay over until Sunday night or Monday morning. Grand display of fireworks, baseball, athletics, swimming races, etc. Arrange to meet your friends at Chautauqua on July 4th. Secure your reservations early. Week end ticket, Friday evening until Monday morning, only 50 cents. Children under 15 years, 25 cents.

At Chautauqua you will find an atmosphere of culture and refinement, and a place where many warm friendships are made. Chautauqua stands essentially for clean living and healthy out-of-door sports.

Spend your vacation at Chautauqua, whether it be for a day, week or month, or the entire summer. Chautauqua is the ideal place. Beautiful scenery, expenses nominal. Nowhere else will you receive so many benefits for the small amount invested. Money spent for a stay at Chautauqua is an investment, not an expense.

BOY SCOUTS AT CHAUTAUQUA

The directors offer free admission to all Boy Scouts during encampment in order to encourage the various troops to hold their encampment at Chautauqua. There is ideal space for encampments, and no more beautiful place can be found than at Piasa Chautauqua. Scoutmasters will please address the manager, Mr. Johnson, with reference to date and location.

PLACES WORTH SEEING

Many beautiful and interesting spots can be reached by short trips from Chautauqua which can be made on foot or by boat. Among these are the Jerseyville Road, with its wealth of wild flowers; Nugent's Bluff; Elsah; Portages des Sioux; Grafton; Babb's Hollow; Fern Valley; Illinois River; Alton; Jerseyville; Lover's Leap, and the Indian Mounds.

Her well selected repertoire is enriched by the greatest selections in the language. Her readings range from the simple little tales of child life to the great field of drama—entire plays, in fact. She has never yet failed to delight and completely captivate her audience. Her work is irresistible.

The story from Victor Hugo's masterpiece, "Les Miserables," used as an introduction to a lecture on the Brotherhood of Man. The poets who have sung the songs of Brotherhood are quoted, but the gripping feature of this lecture is its originality. A lecture drawn from the lives of men rather than from the lines of books. The story of Roland A. Nichols and Harold Bell Wright. How Harry Wright, the traveling tramp boy sign painter, became Harold Bell Wright, minister of the Gospel, and author of "That Printer of Udell's," "The Calling of Dan Matthews," "The Shepherd of the Hills," etc. An hour of inspirational review of the real, true, precious friendships in the soul life of men. A beautiful eulogy on the Brotherhood of Man. An uplifting lecture that inspires every hearer to be a better, stronger, kinder man. Mr. Kessinger is one of the youngest men on the lecture platform today. His success is marvelous, his word painting beautiful. He is rapidly on the way to become one of our country's best orators. To hear him is a treat—not to hear him, if you have the opportunity, is a misfortune. He comes to us highly recommended.

It will do your heart good to see our children—boys and girls—enter into the spirit of the evening's entertainment. L. C. I. A. nights usually draw our largest attendance, as the ladies never fail to give us an entertainment worth while. Neighboring towns are always well represented, while large delegations come from St. Louis, knowing in advance they will see and hear something out of the ordinary.

This is Fresh Air Fund Night—Come prepared to donate something to this worthy cause. Whether the amount contributed be large or small it will be thankfully received. Your contribution may be the means of saving some poor child.

What Piasa Chautauqua Stands for

Piasa Chautauqua in its independent environment presents a concrete pic- ure of social Christianity, applied not in any Utopian scheme, but in the veryday relations of neighbors dwelling wholesomely together on principles of Christian good will.

In an atmosphere as unconstrained as the atmosphere of a good home, Piasa Chautauqua rejoices in all the spontaneous joys of family and neigh- borhood life, enlarging the family sympathies to include the neighborhood and intensifying the neighborhood sense with much of common interest. Not as an addition to, but as an expression of the simple life it wishes to cultivate.

Piasa Chautauqua gives large place for recreation, amusements—down- right fun. From the initial of religion Piasa Chautauqua reaches out for everything that is hearty, hale, whole and unpretentious, and finds itself still within the pale of religion interpreted by its own large ideals.

Whoever loves this comprehensive wholeness of life and despises the tacked-on conventionalities of artificial social standards—whoever prefers free- dom and frankness—will be welcome at Piasa Chautauqua, and having come, will be glad for Piasa Chautauqua.

Ninety minutes after leaving St. Louis, the office or shop-tired man or woman finds perfect rest and simple pleasure and amusements, and a bed where blankets are always necessary, so cool are the nights at Piasa Chau- tauqua. We ask, can you afford to miss this?
